Hello,

On behalf of Teresa, Lindy and myself, I would like to invite you to our annual sale.

For forty years, we have continued to pursue excellence. Our goal is not to produce one exceptional individual, but to produce industry leading groups of seedstock that excel in every facet of the business.

We can compete with any operation in any segment of the industry. Our carcass genetics and feedlot performance are the highest percentile of any breed, regardless of color. Paired with your good cows, we have continued to feed cattle and prove this, year in and year out.

We are unique in the fact that we invest in feeder cattle and are forced to put our money where our mouth is. Nobody else is more involved, or has just as much at stake as you do.

Our cowherd would be the envy of any cattleman, no matter what color they like. Quiet, fertile cows that have perfect udders and calf raising ability. Fed a diet that is economically feasible for any commercial operation, they are required to do it all, or be culled.

The bulls are extremely uniform and functional. Good disposition and sound feet and legs. Eye appeal still means something, and they look the part.

These bulls will sire calves marketed in 2025 & 2026. The projected peak for demand for cattle to feed because of low cow numbers now. Pounds will pay more than ever. Charolais bulls are the undisputed best answer to produce more pounds with less input.

We invite your inspection, and as always, please let me assist any way that I can.

Mike

HERDSMAN:

Jose Hernandez

What will you see when you look at a Roster Charolais Bull?

Our Herd bulls will be long made, deep bodied, and well muscled. Good headed with structural correctness and an emphasis on sound feet and legs. Fertility and libido are, of course, what makes the whole process work. They are equally important. Quiet disposition translates into less headaches and more potential profit, so every herd bull we have is easy to

Directions to the Farm

The Roster Feedlot: From Exit 350 on I-90, North on South Dakota Highway 25 to 249th St. 1/2 mile E on 249th. Can be found with Google Maps, just search Roster Charolais.

Absolute Zero trouble calving. Heifer bull extraordinaire.

All the bulls in this sale were on test in the same group for 150 days. They were fed a medium megacal developer ration. The feed program is not designed for maximum gain in a short period but for the long term welfare and longevity of the bull. We have received many positive comments over the years about how well the bulls hold up for our customers. We are convinced this is a better way to develop our bulls instead of trying to see how big or heavy we can make them. Our philosophy is to offer bulls with adequate growth in a crossbreeding situation. We feel that **every** bull in the sale meets this criteria.

All the bulls in this sale have been tested negative for persistent infection (PI) of BVD.

Many of our customers have us take the bulls back to our place after the sale for later delivery. They are returned to the same pens and are put on the same ration. This helps in their continued development for breeding season especially on some of the younger bulls.

NOTES

Guarantee:

All bulls are guaranteed breeders and are guaranteed to pass a breeding soundness exam. If, for any reason, a bull can't service your cows during his first season, we will provide a good quality replacement for you to use for the rest of the season.

Announcements:

Announcements from the block take precedence over anything printed.

Retained Interests:

Roster Charolais will retain a 1/4 breeding interest in all bulls sold. This is for in herd use and for revenue sharing in future semen sales.

Free Delivery: First 300 miles

Contact Mike after the sale to schedule your delivery. We will keep the bulls free, at buyer's risk, until April 15th.

Terms: Terms are Cash.

Health Papers: Available sale day, after the conclusion of the sale.
